

Our Lady of Lourdes Catholic School

2009–2010 Milk Program

Dear Parents:

Milk is available to our students at a small cost which is not included in the tuition. We must bill separately in order to take advantage of the federally funded program which enables parents to purchase milk at a reduced rate.

Students in grades Pre-K through 8 are eligible to receive milk -- both at Lunch and at After School Care. **ONLY Pre-K and Kindergarten students are eligible to receive milk at snack time.**

The fee for one carton of milk, per child, per school year, for lunch or for ASC is **\$27.00**.

For **Pre-K and Kindergarten** students, one carton of milk, per year, at snack time is also \$27.00 per child.

Payment for milk must be made by separate check or by money order, payable to "OLOL". Cash cannot be accepted.

Please use "W" or "C" to indicate your choice of White or Chocolate milk
